- Offsides: The buildout line will also be used to denote where offside offenses can be called. Players cannot be penalized for an offside offense between the halfway line and the build out line. Players can be penalized for an offside offense between the build out line and goal line.
- For U11 and older: The new goal kick rule states that the ball is in play once the ball is kicked and clearly moves. In addition, players from the attacking team may be inside the box but defending team players cannot be in the box during a kick.

- For U9-10, we will be amending the language to state that defending team players may cross the build out line to defend once the ball is in play, NOT once the ball leaves the goal box

Any player ejected from a match will not be replaced and will not be allowed to participate in the team's immediate next match. Ejection for fighting by players and coaches will result in the player or coach not being allowed to participate in any remaining tournament matches. Passes for any coach or player ejected may be held by the field Marshall. Any coach or player ejected from a match will not be allowed to coach his/her team in its immediate next match and may not be located with the spectators. Each coach is responsible for the conduct of the players and parents of his/her team. Coaches not taking responsibility for their sideline's conduct may be cautioned and/or ejected. In accordance with FIFA rules, only players will be shown a card (yellow or red) when being cautioned or sent off. If a match is terminated by the referee due to player, coach or sideline misconduct, that team will forfeit the match regardless of the score at the time of the termination.

The Tournament will provide the game balls.

The Tournament will only use referees certified by the United States Soccer Federation.

At age group divisions U11 and younger-

Whenever the ball strikes a player in the head, play is stopped. The proper restart depends upon whether the player deliberately played the ball with his or her head. If deliberate, the proper restart is an indirect free kick to the opposing team. If this occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If the play by the head is deemed in advertent, then the proper restart is a dropped ball. Thank you for your time and understanding.
